**MINUTES OF THE
NOTTINGHAM TOWN MEETING
Nottingham, New Hampshire, March 10, 1964**

ARTICLE 1. To choose all necessary Town Officers for the year ensuing.

Selectman	George Pritchard
Town Clerk	Louise Cutler
Town Treasurer	Edna B. Glover
Tax Collector	Donald M. Perkins
Library Trustee	Mary Louise Fernald
Road Agent	Philip C. Fernald
Chief of Police	Richard A. McGowen
Trustee of Trust Funds	James Kelsey
Auditors	Warren M. Ingalls, James Kelsey

ARTICLE 2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same — \$32,720.05. Passed in the affirmative.

ARTICLE 3. To see if the town will raise and appropriate the sum of \$868.96, the State to contribute \$5,713.04 for Town Road Aid. Passed in the affirmative.

ARTICLE 4. To see if the town will raise and appropriate the sum of \$200.00 for the control of white pine blister rust in 1964. Passed in the affirmative.

ARTICLE 5. To see if the town will raise and appropriate the sum of \$500.00 for new equipment for the fire department. Passed in the affirmative.

ARTICLE 6. To see if the town will raise and appropriate the sum of \$500.00 for the purchase of a used York Rake. Passed in the affirmative.

ARTICLE 7. To see if the town will raise and appropriate the sum of \$2,000.00 to be placed in the capital reserve fund in anticipation of the need to rebuild the Gebig Road Bridge. Passed in the affirmative.

ARTICLE 8. To see if the town will raise and appropriate the sum of \$300.00 for the purchase of a police cruiser radio. Passed in the affirmative.

ARTICLE 9. To see if the town will raise and appropriate the sum of \$1,000.00 for the sealcoating of roads. Sections to be treated to be designated by the Selectmen. Passed in the affirmative.

ARTICLE 10. To see if the town will vote to elect the Chief of Police for a three year term instead of one year, starting March 10, 1964. Passed in the affirmative.

ARTICLE 11. To see if the town will vote to discontinue the use of town money and town equipment to clear snow from private driveways. Voted to continue such service.

ARTICLE 12. To see if the town will authorize the selectmen to borrow in anticipation of taxes. Passed in the affirmative.

ARTICLE 13. To choose a delegate to the Constitutional Convention. Arthur McDaniel chosen.

ARTICLE 14. To vote on the question — "Shall Sweepstake Tickets be sold in this Town?" Passed in the affirmative.

ARTICLE 15. To transact any other business that may legally come before the meeting. Voted to close the polls at 6:30 p.m. Motion was made and seconded that the Town authorize the Selectmen to sell property acquired through Tax Collector's deeds, and surplus equipment at properly advertised public auction, to accept or reject any or all bids and to dispose of same at their discretion after it has been offered at such auction. Passed in the affirmative.

GEORGE PRITCHARD

JOHN W. CLARK

FREDERICK L. FERNALD

Selectmen of Nottingham

Minutes taken by Louise B. Cutler, Town Clerk

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

Polls Will Close At 6:00 P.M., March 9, 1965

To the inhabitants of the Town of Nottingham, in the County of Rockingham in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Nottingham on Tuesday, the ninth day of March next, at ten of the clock in the forenoon to act upon the following subjects:

1. To choose all necessary town officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the town will raise and appropriate the sum of \$850.60, the State to contribute \$5,713.04 for Town Road Aid.

4. To see if the town will raise and appropriate the sum of \$150.00 for the control of white pine blister rust.

5. To see if the town will raise and appropriate the sum of \$500.00 for new equipment for the fire department.

6. To see if the town will raise and appropriate the sum of \$300.00 to purchase the school house lot adjacent to the town hall.

7. To see if the town will raise and appropriate the sum of \$1,500.00 to tar and seal coat roads.

8. To see if the town will raise and appropriate the sum of \$250.00 to build a shed, to house town road equipment.

9. To see if the town will vote to rebuild the Gebig bridge at a cost not to exceed \$13,000.00. To remove \$2,000 voted last year for bridge construction, from the Capital Reserve Fund; to raise and appropriate \$2,000.00 this year and to issue three Serial Notes at the best interest rate obtainable; one for \$3,000.00 payable one year from date of issue; one for \$3,000.00 payable two years from date of issue and one for \$3,000.00 payable three years from date of issue and to authorize the Selectmen to issue and sign said notes.

10. To see if the town will authorize the Selectmen to borrow in anticipation of taxes.

11. To transact any other business that may legally come before the meeting.

FIRE CHIEF'S REPORT

The Fire Department answered very few calls in 1964. There was a forest fire threat that occurred during the dry spell last summer and fall. The lowered fire incidence, we feel, came through a great demonstration of public cooperation and we would like to express our thanks for a job well done. We hope this practice will continue because plain carelessness with fire is the actual cause of many of our fires. Always get a permit for outdoor fires. Plan on burning late in the afternoon when the wind goes down or on rainy days. To get a permit, call 679-8802.

I would like to thank all those who donated both time and services which helped make our Fourth of July Celebration a great success. Among the major items purchased this year were 2½ inch hose, 500 feet of 1½ inch hose, a portable generator (1700 watts).

Regular meetings are held on the first Tuesday of each month at the Fire House. Visitors are always welcome.

Respectfully submitted,

LAROY W. BATCHELDER

Fire Chief

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2,280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 86 % wooded and its economy — both industrial and recreational — is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area — 4,350,000 acres — is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.
2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.
3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes: (1) permit fires allowed to escape; (2) children playing with matches; and (3) smokers.

Town's oldest resident . . .

FRED L. GOVE, right
Nottingham's Oldest Resident

JOHN FERNALD, left
Moderator

Nottingham's Oldest Resident still active at Town Meeting . . .

FRED L. GOVE, born in Nottingham, December 14, 1870, is caught by cameraman Brad Batchelder, Sr., as he casts his ballot with Moderator John Fernald at the 1964 Town Meeting.

THE TWO OCCUPATIONS of carpenter and farmer have satisfied a long and busy life. His relaxation has been 67 years as a Granger. He has filled many important offices, including Master of Patuccoway and East Rockingham Pomona Grange.

LAST JUNE, he and his wife Rosetta celebrated their Fifty-third Wedding Anniversary. They still live in Nottingham on Route 152 where Fred is still active and in good health at age 94.

Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past fire season and with your continued cooperation we are confident that we can improve our fire record in 1965.

Number of Fires and Burned Area in 1964

JOHN T. FERNALD

Warden

REPORT OF THE PLANNING BOARD

1964 saw the development of Pawtuckaway Park so far as the probable land takings is concerned. While no progress was made in reducing the water frontage the State desired in its plans for the Park, the fact remains that through the efforts of the Selectmen and Planning Board and the co-operation of former Councilor Hall, a time period of over 5 months was gained during which the key figures in the situation might have disposed of their lands to private developers had they so desired. That advantage was not taken of the opportunity is the owners prerogative or privilege. Present understanding is that no further lands are to be taken but this could be in error. A deed to the Drowns Dam land was finally secured for the Town.

Mr. James Kelsey (Representative) has filed bills for tax payments to Nottingham in perpetuity, as well as one for payments to all towns adversely affected by State held lands. Much of the Planning Boards work came in gaining support for his measures. The following closely approximate the interesting State vital statistics. Our State contains some 6,789,000 acres within boundaries. Water area — 132,000 acres; National Forest 569,000 acres; Fish and Game Department, about 2,350 acres (with several buildings); Division of Parks and Recreation (estimated) 70,000 acres; and if it were possible to learn the extent of church, school, and non-profit organization acreages, there is no question that between 16 and 20 % of the land area is now tax exempt.

The State has 216 towns, 13 cities, and over 20 grants, purchases, and locations which have no representation due to scant population. A first letter was sent to all organized communities over the signatures of the Chairmen of the Selectmen and the Planning Board detailing the situation and asking opinion and support. A second letter enclosed mimeo maps of the area, and a copy of same for each representa-

tive-elect. As Manchester alone has 57 it has meant some work. As to response, 45 % heartily endorsed the action; 2 towns abstained, and two were for payment, but not by funds drawn from all towns. The actual percentage support is greater than given as some have since assured Mr. Kelsey of support verbally. The Chairman and Secretary of the Planning Board are resigning as of Town Meeting Day. The recommendation is that new faces appear, and perhaps new ideas.

Respectfully submitted,

A. F. DEMERITT, Chairman

E. O. FOSS, Secretary

REPORT OF THE BUILDING INSPECTOR

Receipts (36 permits)	\$36.00
Paid to Treasurer	36.00

From January 1, 1964 to December 31, 1964, thirty-six permits were issued.

Notice: According to the laws of the Town of Nottingham and the State of New Hampshire, a building permit (cost \$1.00) is required when: —

1. Erecting any building.
2. Moving any building.
3. Alterations of existing buildings.

ZONING ORDINANCE

ARTICLE III

1. No junk yard or place for the storage of discarded machinery, vehicles, or other scrap material shall be maintained in any district.

Respectfully submitted,

PHILIP C. FERNALD

Building Inspector

ROAD AGENT'S REPORT

One of the accomplishments for 1964 was the rebuilding of the McCrellis Road Bridge. The old bridge was an extremely dangerous hazard and we all benefit from its elimination.

An additional 1 1/2 miles of roads have been tarred.

7/10 mile on Garland Road, which was the amount necessary to complete that road from Route 4 to Freeman's Hall.

3/10 mile on South Summer Street (better known as Fowler Road) and 5/10 mile on Case Road.

During my ten years as Road Agent, there have been 14 miles of road tarred. These roads are an asset to the Town. Without good roads a town cannot grow. Without growth and the profits derived from it, everyone in the community loses, in one way or another.

There is a need for immediate attention to the bridge located by the McKinstrey home on Gebig Road. One of the main timbers broke during the autumn months and although it has been temporarily repaired, the bridge is in poor condition and should be rebuilt as soon as possible.

Respectfully submitted,

PHILIP C. FERNALD

Road Agent

REPORT OF CHIEF OF POLICE

The following report of activities is hereby submitted by the Nottingham Police Chief for the year ending December 31, 1964.

During the past year the Nottingham Police Department has added to its assets, a new Police radio, which has been installed in Officer Batchelder's car. This has provided the town with more efficient coverage throughout the entire town.

Due to the nightly patrols made during the past year, I feel that we have been able to keep the breaks and vandalism down to a minimum. Although much comment has been made about this added expense to the taxpayer, the statistics show that this coverage is benefiting the town whereas the crime and vandalism rate is down this year.

Nottingham's summer resident population is increasing rapidly and this department must grow with the needs and demands of the taxpayers. In figuring the Police Budget increase for nightly patrols, you are paying approximately \$1.00 per person per year for this extra coverage.

At all times when the police have been called, they have responded immediately with the best interest of the taxpayers.

We have answered 213 complaints this past year.

A total of 26 houses were reported broken into. All but four of these breaks have been cleared up.

We investigated 23 automobile accidents and 1 motorcycle accident.

We attended Court for a total of 17 various cases.

We delivered 4 death notices and 8 messages.

Also this year we had to take two mental patients to Concord State Hospital.

Ten lost or missing persons were reported; all of which were located.

On several occasions, the Nottingham Police Department has rendered assistance to the State Police and other local Police Departments.

During the year 1964, a total of 1,118 actual man hours were utilized in providing Police coverage to the Town and a total of 11,340 miles were traveled throughout the town in the performance of police duties.

The Police Department has been and **IS** ready to assist at all times.

IN CASE OF EMERGENCY, TELEPHONE 679-8706 or 679-8661.

Respectfully submitted,

RICHARD A. McGOWEN

Chief of Police

ANNUAL REPORT OF LIBRARY TRUSTEES

During the year 1964, many new books, both adult and juvenile, were added to the library. Several of these were gifts. The Nottingham Woman's Club presented us with a reprint of Lucy Crawford's "History of the White Mountains" and the graduating eighth grade gave us the "Story of New Hampshire" by J. Duane Squires. Our own books were also supplemented by the New Hampshire State Library which sent the Bookmobile about every ten weeks.

During National Library Week in April, the library trustees continued their custom of conducting an annual contest and awarding a book for the best essay in each of the eight grades, the subject being, "The Wonderful World of Today."

Respectfully submitted,

FLORENCE T. KELSEY

REPORT OF THE SCHOOL DISTRICT MEETING

March 4, 1964

The annual meeting of the Nottingham School District was held at the Town Hall at 8:00 p.m. on March 4, 1964.

Moderator John A. Perkins read the School District Warrant. Discussion of the Warrant followed immediately as follows:

ARTICLE 1. To determine and appoint the salaries of the School Board and Truant Officer, and for the compensation of any other officer or agent of the district. James Kelsey moved that salaries be as follows:

School Board Chairman	\$125.00
2 other members at \$75.00 each	150.00
Treasurer	50.00
Bookkeeper	250.00
Clerk	5.00
Moderator	5.00
Auditor	5.00
Census Taker	25.00
<hr/>	
Total	\$615.00

Motion seconded and voted in the affirmative.

ARTICLE 2. To hear the reports of Agents, Auditors, Committees, or officers chosen, and pass any vote relating thereto.

Moderator Perkins read some corrections (typographical errors, etc.) which should be made on pages 68 and 69 of the Annual Report, as follows: All corrections to be made in the third column of figures headed "Adopted Budget 1963-64." Library "Audiovisual materials" — change to \$550.00. Other expenses, change to \$275.00. Add an item of "Con-

tracted Services" \$200.00. "Student Body Activities" change to \$100.00. Total year expenditures change to \$77,020.13.

ARTICLE 3. Pass over until rest of the Warrant has been discussed.

ARTICLE 4. Moderator will read each item in the budget in turn. If there is no objection on a particular item, that item will be considered to be voted on in the affirmative. If there is an objection to any item, that item will be discussed. At the end there will be a voice vote for the total amount.

Below are the items which were discussed separately. All other items were agreed upon as listed.

(1) Salaries \$24,020.00

This includes Article #7 in Warrant: \$900.00 for music to be taken up later. Therefore this amount was changed to read — Salaries \$23,120.00.

(2) Library and Audio-Visual \$150.00

James Kelsey voted to raise this to \$550.00. Voted affirmative.

(3) Teaching Supplies \$900.00. Change to \$800.00.

(4) Operation of Plant \$300.00

Voted change to \$400.00

(5) Under Fixed Charges a special item of \$100.00 to be considered later in warrant. Article 6.

(6) Contingency Fund \$500.00

Reduced to \$250.00

School Board's Budget Total	\$79,276.31
-----------------------------	-------------

Minus - Bonds and interest	
----------------------------	--

Teaching Supplies	
-------------------	--

Music and Blacktop	3,430.00
--------------------	----------

	\$75,846.31
--	-------------

Minus Contingency Fund	
------------------------	--

	250.00
--	--------

	\$75,596.31
--	-------------

James Kelsey made a motion, seconded by Donald Perkins, to raise and appropriate the sum of \$75,596.31.

Voted in the affirmative.

ARTICLE 5. To see if the district will raise and appropriate the sum of \$2,000.00 for principal payment and \$330.00 for interest for the retirement of the school debt.

Voted adopted as written.

ARTICLE 6. To see if the district will raise and appropriate the sum of \$100.00 for tarring an area around the school house.

Voted adopted as written.

ARTICLE 7. To see if the district will raise and appropriate the sum of \$900.00 to provide a music supervisor for one day per week for the Nottingham School. Harold Mace moved that this article be adopted.

Voted in the affirmative.

ARTICLE 8. To see if the district will elect a committee for the study of future expansion of present school facilities. James Kelsey moved, seconded by Donald Perkins, that a study should be made of future expansion of present school facilities; the committee should consist of 5 members, one appointed by the School Board, one by the Selectmen and one by the Planning Board — these three members to appoint 2 other members; and that this committee should make a report at the annual meeting in 1965.

Voted in the affirmative.

Donald Perkins made a motion, which was seconded, that the committee's report be included in the 1965 Town Report.

Voted in the affirmative.

ARTICLE 3. Bradford Batchelder, Jr., requested that the School District Bookkeeper be present at the 1965 Budget Meeting to explain to the Budget Committee, when necessary, some of the more obscure items in the new system of bookkeeping set up by the State Board of Education.

ARTICLE 9. To transact any other business that may legally come before this meeting.

Donald Perkins made a motion that the School Board be instructed to hold an evening meeting in 1965 prior to the Town Meeting.

Motion seconded and voted in the affirmative.

James Kelsey moved the meeting be adjourned; seconded and voted in the affirmative.

FLORENCE T. KELSEY

Clerk

School opened in September, 1964, with two changes in the teaching staff. Mrs. Catherine Hodgdon replaced Mrs. Gay Knowlton in grade four and Mr. Wayne Merchant replaced Mr. Victor Barden as Principal and teacher of grades seven and eight.

Under Mr. Merchant's administration the school program has continued in its effort to provide a sound educational opportunity for each and every child. This year several subjects are conducted on a departmentalized basis which

utilizes each staff member's special abilities. More effective use of Audio-Visual aids is in evidence, and a strong phonetic approach to reading is continuing in the primary and intermediate grades. The Joplin Reading Plan is being used in grades five, six, seven and eight. This reading plan has been modified to meet the needs of the pupils, and it enables each pupil to receive more instructional teacher time on the pupil's own reading level.

Under the direction of the School Board, a good part of the painting, which was necessary, was completed during the summer months. Two sections of the school yard, near the building, were hard surfaced and the flagpole was re-located. New bulletin boards were installed in classrooms and additional shelving and benches provided where needed.

In conclusion, we would like to express our appreciation for the cooperation given us during the year by the Citizens, School Board, Faculty and Pupils of Nottingham.

Respectfully submitted,

RAMON MARTINEAU

Superintendent of Schools

BRUCE L. SMITH

Assistant

Superintendent of Schools

REPORT OF SCHOOL PRINCIPAL

To the Superintendent, Assistant Superintendent, School Board and Citizens of Nottingham:

The following is a report of the administrative and instructional activities at the Nottingham Elementary School during this 1964 School Year.

In grades one through three we are using a basal series of readers. Children are grouped within the room in these grades, usually into three groups. These groups are flexible. However, if a child has not completed the basal materials of grade one, for example, he is taught by the second grade teacher where he stopped in grade one. At no time is the child taught anywhere in basal reading except at his proper reading level. By the time the pupils are ready for grade four, achievement tests show the reading level attained by each child.

This basal reading series presently being used in grade one through three is similar to the Joplin Plan For Teaching Reading — the plan proved so successful in Joplin, Missouri.

It is at the fourth grade level that we are presently organizing plans to put the Joplin program into our curriculum, in conjunction with the three lower grades.

An integral part of this program is teaching the reading skills at the level on which the the pupil is working. Much has been written about schools NOT teaching phonics. Phonics are taught in this program but taught in their proper relationship to other skills. Children are taught to summarize, to reach conclusions, to draw inferences, to outline, and to reason.

Comprehension is vital. Reading — real reading, in our opinion, is reading with meaning and understanding and being able to evaluate the materials read. It involves creat-

ing an interest in reading and a desire to read. This becomes an important asset of the program, with such competition as **The Flintstones**, **The Rifleman**, and **My Favorite Martian**.

Educational Television, Channel 11, on the other hand, is being used to enrich the curriculum in the areas of primary music, art, social studies, science, and career guidance.

Our 16 millimeter projector has made it possible to utilize the free science films offered by the Bell Telephone Company through the University of New Hampshire Audio-Visual Center. These films offer an entertaining, informative, and educational approach to such subjects as, communication, transportation, satellites, weather, and many others that truly enrich our science program.

Grades five, six, seven, and eight are now semi-departmentalized. Grades five and six have Mrs. Saulnier in the morning for Reading, English, and Mathematics while Mr. Merchant has grades seven and eight for Reading, Social Studies, and Science. In the afternoon the children change rooms; Grades five and six now have Mr. Merchant for Social Studies and Science, while Grades seven and eight have Mrs. Saulnier for English and Math. This system has proved most advantageous in the light of teachers' strong points, and of pupil interest, along with the fact that this system offers a chance for the students to change rooms and teachers and breaks the routine of the one-teacher, one-room situation.

In conclusion, as principal I would like to express my sincere appreciation to the citizens, school board, teachers, pupils, superintendent, and assistant superintendent of Nottingham for the cooperation extended to me during my first few months at Nottingham Elementary School.

Respectfully submitted,
WAYNE MICHAEL MERCHANT
Principal

REPORT OF THE SCHOOL NURSE

Town of Nottingham

To the Superintendent of Schools:

The school year of 1963-1964 saw many children absent because of German Measles and/or mumps. However, with these exceptions, I feel that the Nottingham Elementary School had a very good health report.

The school health service included a routine health inspection of each child by the nurse. The parents were informed whenever defects were found, and many of these children were seen or treated by their family physician. The success of the health program depends largely upon such cooperation by the parents.

The following summary lists the tests and examinations done by the school nurse, the defects found, the number of corrected cases, and the number of cases of communicable diseases.

Tests & Examinations:

Vision tests: 130

Hearing tests: 107

Heights & Weights: 127

Teeth & Tonsils: 127

Inspections: 331

First Aid: 26

Defects:

Vision: 12

Hearing: 3

Teeth: 47

Corrections:

Vision: 6

Hearing: 0

Teeth: 75

Tonsils: 2

Communicable Diseases:

Chicken Pox: 5

German Measles: 45

Mumps: 32

Infectious hepatitis: 1

Impetigo: 12

Pediculosis: 3

A clinic for Tuberculosis Patch Testing was held on January 13, 1964 at which time 130 students and 3 adults were tested. There were 4 positive reactions and all of these

were x-rayed. These clinics are made possible by the sale of Christmas Seals.

The annual Pre-School Clinic was held in May, and was attended by 15 children. Each child was given a routine health inspection by the nurse. Parents were then informed of any defects noted at this time.

A very worthwhile dental clinic was sponsored by the Nottingham Chapter of the American Red Cross and the N. H. Dental Society under the matching funds program. Numerous school children received dental treatments through the clinic.

Three pupils were referred to the New Hampshire Sight Conservation Program for eye examinations. Glasses were provided for two of these children.

During the year 33 home visits were made.

I would like to take this opportunity to thank Mr. Martineau, Mr. Smith, the School Board, teachers, parents and students for their constant cooperation.

Respectfully submitted,

DOROTHY Y. WELLS, R.N.

School Nurse
